Stunning Venue

EuRIC – the European Recycling Industries' Confederation – and **FEDEREC** kindly invite you to the third edition of the [European Recycling Conference \(ERC\)](#) on 19 September 2019 in Paris, at the unique location of the Air and Space Museum at Le Bourget Airport. This year the conference will be closely linked to the [3rd National Technical Day of FEDEREC](#) and will attract more than 400 participants. ERC attendees will be able to visit FEDEREC's Technical Day in the morning and share a networking lunch before the kick of the ERC conference in the early afternoon.

Luxury Cruise on Paris' River Seine

The conference will be followed by a Gala Dinner organized on a luxurious river cruise that will lead ERC attendees through the most iconic places of Paris. We invite you to network the night away under the crystal chandeliers!

Unique networking opportunities

Gathering traders, recyclers, consumers and machinery suppliers from all around Europe, this conference will offer unparalleled networking opportunities for business development. High level industry speakers, as well as representatives of the European institutions, will keep you abreast of the latest business and regulatory developments at European level. The priorities for the recycling industry in the coming years will also be discussed in the context of the newly elected European Parliament and forthcoming European Commission.

Stay up to date within half a day of key trends driving recycling in Europe & beyond

Meet the experts in your field and discuss your burning questions during a speed meeting powered by our [Matchmaking Platform](#).

**Registration will open early September.*

The ERC 2019 will also be a unique occasion to celebrate together the 5th anniversary of EuRIC's creation. For companies and organisations looking to position themselves as key stakeholders in Europe, ERC will offer a variety of different [sponsorship opportunities](#).

More information about the program, registrations, accommodation and sponsorship opportunities will soon be available on:
